

Build Her

PITCH COMPETITION 2026

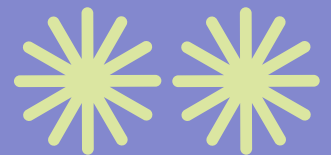

PARTNERING FOR IMPACT, GROWTH, AND VISIBILITY

Build Her is Arkansas's first all-women pitch competition, a high-impact, 60-second stage created to elevate bold ideas and early-stage businesses. Founders pitch without slides, props, or notes, relying on clarity, confidence, and vision.

This event brings together founders, mentors, investors, and community leaders to celebrate and support women building the next generation of businesses in Northwest Arkansas. Everyone is welcome to bring your friends, your team, and your family to cheer on these fearless founders and be part of a powerful evening of innovation and connection.
